FEELS LIKE

COMFORT INNOVATIONS

FEELS LIKE™ SETTING

Similar to the “Feels Like” temperature in a weather report, this takes into account temperature and humidity, making your home feel exactly like you want.

ALLERGEN DEFENDER

Monitors the air quality and pollen levels in your local ZIP or postal code and automatically turns the system fan on as needed to clean your home’s air.

PERFECT TEMP

Allows you to set the ideal temperature. The system then automatically adjusts heating and cooling to maintain that setting.

HUMIDITY CONTROL

Can work with a whole-home humidifier to optimize your air’s moisture levels.

ENERGY INNOVATIONS

SMART AWAY™ MODE

Uses the location services in your smartphone to detect when you’re leaving, and automatically changes the temperature to a more energy-efficient setting.

SCHEDULE IQ™ TECHNOLOGY

Allows you to program your thermostat once. Whenever there’s a change in your routine, the thermostat adapts heating and cooling to match.

PERFORMANCE REPORTS

Provides you with historical data on your system’s operation and performance.

ONE-TOUCH AWAY MODE

Overrides your regular programming schedule with a single touch and sets back your heating and cooling set points to save energy.

SMOOTH SETBACK RECOVERY

Automatically adjusts the heating or cooling start time so your house is at the temperature you want at the time you want.

ENERGY SAVINGS

The iComfort E30 smart thermostat saves energy automatically, without compromising your comfort.

CONVENIENCE

Remote control of your home environment is easy with the iComfort E30 smart thermostat. Monitor temperatures and schedules from anywhere in the world using the iComfort App and your smart device. The iComfort E30 is also compatible with Amazon Alexa*, so you can use your Amazon Echo or Echo Dot to control your HVAC system using voice commands.

CONVENIENCE INNOVATIONS

WEATHER & AIR QUALITY FORECASTS

Seven-day weather and air quality conditions are offered for your local area so you can plan ahead.

HD COLOR DISPLAY

Easy to read, large 7" capacitive touch screen provides smartphone-like touch response.

EMAILED ALERTS AND REMINDERS

Notifies you and your dealer of any service or maintenance needs.

AUTOMATIC UPDATES

As new features are developed, your thermostat is automatically updated with the latest software.

BUILT-IN COMPATIBILITY

The iComfort E30 Wi-Fi-enabled smart thermostat is a universal thermostat that works with non-iComfort-enabled and non-Lennox products, giving you easier access to the comfort, convenience and energy savings you deserve.

PEACE-OF-MIND PROTECTION

The iComfort E30 smart thermostat is backed by a 5-year limited warranty.**

*iComfort E30 is compatible with Lennox HVAC products and requires separate purchase of an Amazon Echo or Echo Dot.
